

With the gently curved long fibers and the angular shives, the dark round hemp seeds develop a very structured surface with high contrasts. With this, the multi-layered, nutty scent with flowery notes reminds you of the refreshing variety of life, but remains down-to-earth and motivating.

## product

---

RAW MATERIAL	Hemp seed husks
CARRIER MATERIAL	Organoid @ HPL
SIZE	3050 x 1320 mm

---

## characteristics

---

SCENT	● ● ○	slightly fragrant
