

ORGANOID® INFINITY PANEL

ALPINE MEADOW light

Article number AKU-WSPALM2020AIPST

The slotted Infinity **acoustic panel** is a high-performance class A sound absorber and impresses with its elegant design and maximum acoustic effectiveness. Ideal for living rooms, offices or public areas, it noticeably **improves room acoustics**. Installation is quick and easy thanks to the tongue and groove system.

The natural surface **ALPINE MEADOW light** discreetly brings the flair of a blooming Tyrolean Alpine meadow into the interior: **real Alpine hay** and fine **petals** create a unique, natural blaze of colour – for a sensual experience with added acoustic value.

- Sound absorber class A according to EN-ISO 354-2003
- Natural surface **ALPINE MEADOW light**
- Backing material MDF
